

Ideas for making income from home

- babysitting, in-home childcare, or after school care
- selling items you make (clothing, candles, elderberry syrup, baked goods, vinyl T-shirts, flip furniture, etc.)
- selling items you grow (veggies, home canned jam, eggs, etc.)
- charge for drop-off services: mending, small appliance repair, etc.
- resell items from thrift shops on Facebook, eBay, Poshmark, etc.
- rent a room or storage space at your home
- tutoring (in person or online)
- music lessons (in person or online)
- network marketing/direct sales
- transcription, translation, or proofreading services
- travel agent/Disney travel planner
- online/phone customer service
- teach online classes - through a platform like Outschool or charge for classes on Zoom/your own website
- teach in-person classes at home (sewing, canning, gardening, etc.)
- create things for other businesses (logos, websites, etc.)
- freelance writing/copywriter
- start an online business - create digital products to sell on your website, Etsy, Teachers Pay Teachers, etc.
- virtual assistant/social media manager
- Affiliate marketing (sell other people's products)
- design items to sell via print on demand
- content creator - blogging, YouTube, Instagram, etc. (this is a long-game... don't expect to make money immediately!)
